About HealthSpoke™

HealthSpoke™ is a start-up software company, located in downtown Toronto, ON. Founded in January, 2007, the company was the runner-up in the LaunchPad \$50k Venture Creation Challenge held in Waterloo, ON, and has received early stage financing from the Canadian Youth Business Foundation.

HealthSpoke™ delivers software services that allow wellness *Professionals* to connect more effectively with their *Clients* and with one another. The first release of the HealthSpoke™ solution is currently under development for a number of committed lead customers. The company is seeking talented, high-performing individuals to join its team.

HealthSpoke™ core values include Learning and Growth, High Performance, and delivering Quality in everything we do. In this position, you will be encouraged to build on your existing skills and take on new challenges. Along with having the opportunity to help build a company, we want to see you build your own successful career!!

How to Apply
